9970 Mill Creek

Mill Creek is a beautiful bedroom grouping that captures elements of Arts & Crafts and Mission style furniture. This collection offers sleep, study and storage options for a youth setting, but also scaled perfectly for smaller or guest bedrooms. Bed options include a Panel Bed in twin, full and queen sizes and a Bunk Bed. Design details such as thick-framed drawer fronts, framed side panels, exposed pegs and tenon ends add just the right amount of classic character to Mill Creek. Features such as motion activated lights on nightstands; built-in outlets/USB chargers and creative storage options add function to this youth collection. Crafted of rubber wood solids and White Oak Veneers in a rich Molasses finish with Dark Bronze hardware.
